ST. JUDE CHILDREN'S RESEARCH HOSPITAL

Morning ride is approx. 5 miles

After the morning ride, participants will return to the staging area for lunch, provided by BHA and Friends. A dish to pass is always welcome.

Anyone who wishes may ride again in the afternoon.

The St. Jude Children's Research Hospital was founded by actor Danny Thomas to treat children with cancer and other devastating diseases and to specialize in research into the causes and treatments of these illnesses. Patients are treated there at no cost to the family beyond the amount of their insurance.

Over the past 9 years, we have sent St. Jude's more than \$30,000. Let's keep up the good work. We have so much to be thankful for.

Pledge forms will be available at the Secretary's & Food stands, or call Betty at 315-725-0767 for your pledge form. Obtain pledges from friends & family and come and enjoy the day with us while helping out some very special children.
